PROFILE:

I am a graduate IT student with holistic knowledge of Software Development and Graphic Design. Throughout my education, I have demonstrated high levels of motivation, work ethic, and teamwork skills to achieve my predicted grades. My aspiration is to contribute to the institute by performing well for the future development and success of the company.

JOB EXPERIENCE:

Web Developer | UI / UX Engineer - Nekfa Australia (Pvt) Ltd. (Colombo, Sri Lanka)

• Developed websites for clients using HTML, CSS, JavaScript, Bootstrap, and WordPress.
• Moderated and developed dynamic digital content for interactive screens deployed at various locations.
• Collaborated with stakeholders to gather requirements and implement solutions that met client needs effectively.
• Ensured websites were responsive and optimized for various devices for optimal performance. Integrated sound elements to enhance digital screen experiences.

(2023/November - Present)

Information Security Intern - Hemas Holdings PLC (Colombo, Sri Lanka)

• Assisted in monitoring security information and event management (SIEM) scenarios, notifying relevant stakeholders, and recommending actions to address potential security incidents.
• Utilized ManageEngine within a ServiceDesk Plus framework to efficiently manage ticket requests and inquiries, ensuring prompt issue resolution and exceptional support for end-users.
• Conducted comprehensive evaluations and comparisons of various Web Application Firewalls (WAF) and their distributors and suppliers.
• Applied design skills to create infographics and posters for company-related events and innovative security awareness campaigns.

(2023/April - 2023/November)

Data Entry Analyst | Intern - Horizon College (Malabe, Sri Lanka)

• Managed student details and maintained a database of student records, enrollment information, and academic progress.
• Collaborated closely with HR assistants to finalize essential data documents, streamlining administrative processes, and contributing to the efficient operation of the HR department.
• Ensured accuracy and confidentiality in handling sensitive student and HR information.
• Provided administrative support to various departments as needed, including scheduling meetings, preparing documents, and responding to inquiries.

(2020/October-2020/November)
